INDEX to VOLUME 3

References to articles in Number 2 (Summer) of Volume 3 include two page numbers. The first number is the page number according to the continuous pagination of Volume 3; the second (in parentheses) is the page number as actually printed in that issue. The pages of Number 2 were incorrectly numbered to begin with page 1; they should have begun with page 69.

Alston, P. P., & Daniel, H. J. Perceived relative impact of disabilities on vocational, educational, and social functioning, (2), 121-127 (53-59).

Bennington, K. F. Counseling the family of the deafened adult, (3), 178-187.

Bogart, D. R., Taylor, R. D., & Lennon, W. NRCA research questionnaire: Attitudes toward rehabilitation counselor education, (1), 54-56.

Bolton, B. The prediction of rehabilitation outcomes, (2), 84-92 (16-24).
